ABOUT SCHWARTZ ENGINEERING

Schwartz Engineering was founded on a passion for residential construction and engineering. We understand residential construction and provide simple and economical solutions.

OUR SERVICES

RESIDENTIAL INVESTIGATIONS

Assessment of foundation cracks, sagging floors, termite damage, load bearing wall removal, facades and more.

STRUCTURAL DESIGN

Comprehensive structural design for single and multi-family houses, room additions, remodels, decks, and retaining walls.

FIRE ESCAPE INSPECTIONS

Assessment of the safety of your fire escape in accordance with the city of Cincinnati ordinance for buildings up to four stories tall.

We provide personalized structural engineering services and treat every project as if it were our own.
